Omaggio non destinato alla vendita

Avvertenza! Piccole parti.
Rischio di soffocamento.

Warning! Small parts.
Choking hazard.

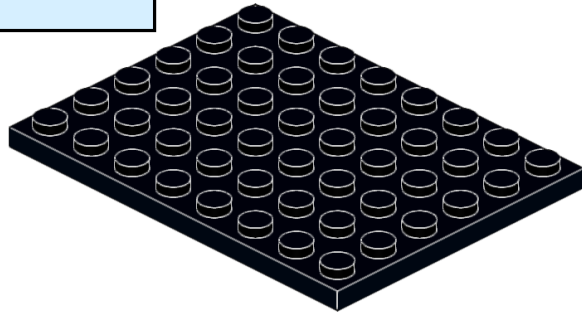

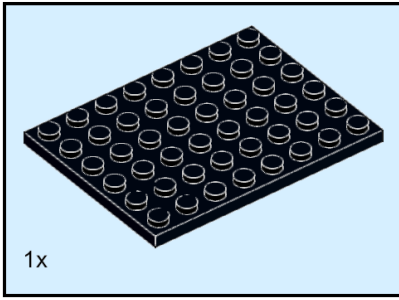

Costruisci la Biblioteca di Affi in miniatura.

Un luogo affascinante e ricco di storia, un tempo stazione ferroviaria e oggi spazio culturale.

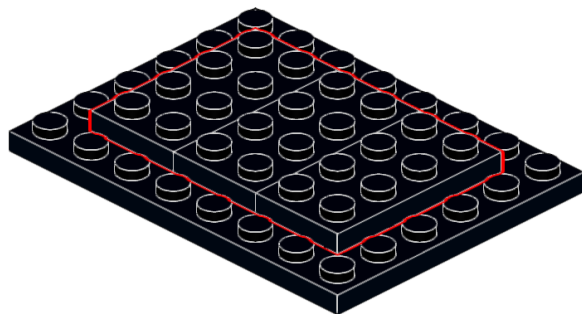

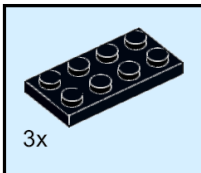

Il modellino di 71 pezzi riproduce con cura la struttura della Biblioteca di Affi, ex-stazione, con la sua Sala Vetri e Legno. Nel parco esterno è rappresentato il secolare e maestoso cedro dell'Himalaya insieme alla locomotiva a vapore.
